TaxBanter is one of the leading providers of professional education in the tax industry. We offer a range of workshops to help you stay informed and competitive.

Public Offer Workshops in 2010

Our tax workshops will keep you up-to-date with the latest tax changes while you earn valuable CPE hours. Conducted by industry experts, these practical workshops comprise:

- the latest tax update, and
- analysis of a special topic

Tax update session

Attendees will be updated on the tax issues that have arisen during the review period and learn about the practical impact of recent tax changes. You will also learn how to apply these changes in a client context and discover how to recognise planning opportunities as a result of the changes.

The tax updates cover important tax issues such as:

- income tax, including CGT
- other taxes such as GST and FBT
- superannuation
- tax administration
- state taxes.

Analysis of a special topic

The workshop will also provide a practical and detailed analysis of a topical area of tax law or practice, which may include:

- planning for individual issues
- taxation of international amounts
- business and employment taxes
- tax and GST issues for small business entities
- corporate tax issues
- current superannuation issues
- GST issues – change to common GST issues and developments
- practical trust issues
- real property as an investment or business asset
- restructuring a single entity
- emerging tax developments
- tax and GST asset management.
